West Bloomfield, MI 48323

The Friends of the Library “Friendshop” will provide an ongoing opportunity to raise money for the Library, give the community a convenient way to recycle books, and offer a fantastic variety of reading materials at great prices year round. The book store will sell used books and a small selection of gift items.

As a Thank You Book store volunteers will receive a 15% discount on all book store purchases on the days they work!

I would like to volunteer to work at the Friends of the Library Used Book Store, the Friendshop, as indicated above.
