

eBooks on Your Kindle or any Kindle app

Everything eBook related can be found on the library's website under the eLibrary tab, or at: www.westbloomfieldlibrary.org/RESEARCH.php

Overview

The West Bloomfield Twp. Public Library offers thousands of eBooks in the Kindle format at the eLibrary which is part of the Metronet Online Lending Library. These eBook titles can be transferred directly to your Kindle or Kindle app device using an Amazon account.

***Note:** There are different help guides for **other eReader devices** and for using smartphones and tablets using the **OverDrive app**.

The West Bloomfield Twp. Public Library purchases Kindle books (eBooks) from OverDrive, and these titles are available through the eLibrary page off the West Bloomfield Library website (<http://www.westbloomfieldlibrary.org/RESEARCH.php>)

Collection Basics:

- Thousands of eBooks are available in a variety of genres
- Kindle books are the eBook format that is compatible with Kindles and Kindle app devices
- eBooks circulate for 21 days, and can be returned early using "Manage Your Kindle" at the Amazon website
- Titles that are checked out can be placed on hold
- There are two types of OverDrive eBooks; regular **OverDrive** eBooks which are part of a shared collection with other local libraries, and **OverDrive Advantage** titles which are exclusively for West Bloomfield Library card holders
- The library also offers NetLibrary and Gale Virtual Reference eBooks which are viewable only from the Internet. These items do not check out and cannot be transferred to a Kindle
- Kindle library eBooks work the same as every other Kindle book, and if you buy the book from Kindle or check it out again, your bookmarks and notes will stay intact

What is required to transfer an eBook to a Kindle?

- A valid West Bloomfield Township Public Library card
- A Kindle with a wifi connection or a smartphone or tablet device with a Kindle app
***Note:** Kindles without wifi capability can transfer Library eBooks following these instructions from Amazon: <http://www.amazon.com/gp/help/customer/display.html?nodeId=200505520&#usb>
- An Amazon Kindle Account, go to: <https://kindle.amazon.com/> to register

Steps for transferring an eBook to a Kindle or Kindle app device

1. To search for eBooks, go to the eLibrary on the library's website. Click on the "Search eBooks" link.
2. eBook titles can be searched for by keyword, title, or author in the search box. Searches can be refined by utilizing the "format" dropdown and selecting the eBook format type, then changing the time period from "this month" to desired time frame. The "all months" option will give a user the most results. The last dropdown menu will specify collection type and defaults to "entire," but can be changed to narrow searches to adult or youth. Click on the search box.

3. Results can be sorted by title, author or date added to site.
4. Click on an **OverDrive** eBook title you are interested in, eBooks will either be part of the Advantage collection or the regular collection.

- For Kindle edition Advantage titles, click on the  to check availability. Log-in by selecting West Bloomfield and entering your last name and library card barcode number. Click "Add to my eCart" if the title is available.
 - For regular OverDrive titles, if available, click "Add to my eCart," for the Kindle edition select, "Proceed to checkout." Log-in by selecting West Bloomfield and entering your last name and library card barcode number.
5. Click on "Confirm Check out" button if ready.
 6. You must have an Amazon Kindle account and have registered your device before transferring.
 7. Click on the "Get for Kindle" button.
 8. The Amazon page "Get Your Public Library Loan" should pop up, and then click on "Get library book"
 9. Sign into your Amazon Kindle account, this is an email address and password.
 10. Choose the device that you want the title to go to in the dropdown menu, and click "Continue."
 11. +If your Kindle has wifi capability, then it will be downloaded the next time that you connect to wifi.
+If you are using the Kindle app, open the app when connected to wifi and go to "Archived Items," then open the archived folder and tap on the cover to download the title to home.

If the Kindle does not have wireless

1. A message will appear after you click on "Get library book" giving you the option to transfer the eBook via USB.
2. Click "Download Now."
3. Click "Save File" and remember where you saved the file.
4. Plug your Kindle to your computer using the USB cord.
5. Open "My Computer" on your PC, this is automatic on a Mac.
6. Double click "Kindle," then double click "Documents."
7. Drag and drop your book file into the documents of your Kindle.
8. Disconnect your Kindle

To return a Kindle book

- When your loan period is up, you will get an email notification and a notice on your Kindle telling you that your loan has ended
- The book will no longer be available on your Kindle or Kindle app device
- To return a book early go to "Manage Your Kindle" on Amazon, scroll under the *actions* button to the right of the title and select "Return this book"
- A return loan confirmation will appear, click on "Yes," then under the *actions* button to the right of the title select "Delete from library"

Help

Overdrive's help pages are a great place to start if you have questions. This information is available at ebooks.metronet.lib.mi.us/en/help-faq-format410.htm, also on the OverDrive site is "My Help" which will provide further assistance.

You can also contact the Adult Information Desk during library hours at **248-232-2290** or email wbref@wblib.org.
