- While the Governor's recommendations for libraries has still not been made public, new MiOSHA workplace guidelines for retail, libraries and museums has been published and our Library is in alignment with them.

## **Review and Approval of Phase 2 Service Parameters and Set Start Date**

The Board reviewed and discussed the service parameters for Phase 2 of resuming service as identified in the Library's Pandemic Preparedness and Response Plan, which adheres to existing state orders and federal, state and local guidelines. Phase 2 includes all eLibrary digital services, all curbside services and introduces "grab and go" which brings users back into the facilities for short visits to:

- Browse circulating collections
- Select materials to enjoy at home and get materials placed on hold
- Ask for reader's advisory or reference assistance
- Pick up summer reading materials
- Use self-check stations to check out materials
- Obtain or renew library cards

The Board agreed with the addition of "grab and go" as the first step to introducing service within the buildings. No other use of the facilities will be included in Phase 2. The parameters also reflect behaviors to be followed by users, which will be part of the Library's Rules of Conduct, and posted at all entrances and throughout the facilities. They are:

- Wear a mask within the facilities per CDC guidelines
- Social distance 6 feet with anyone not living with you
- Adhere to capacity limits
- Keep visit to around 45 minutes
- Do not enter facilities if feeling ill or have COVID-19 symptoms

It was further pointed out that Director Bohrer has the ability, under the Pandemic Preparedness and Response Plan, to close the facilities and/or step back to Phase 1 should any issues arise with exposure to the virus or ongoing, unsafe behavior of users.

**MOTION:**

**MOVE TO APPROVE THE PARAMETERS FOR PHASE 2 OF RESUMING LIBRARY SERVICE AS IDENTIFIED IN THE PANDEMIC PREPAREDNESS AND RESPONSE PLAN ALONG WITH ITEMIZING REQUIRED BEHAVIORS IN THE RULES OF CONDUCT.**

Ayes: Kravetz, Macon, Eickemeyer, Foster, Holtz, Meyer

The Board discussed a start date, but did not feel it was prudent, at this point in time, to specify a length of time for Phase 2.

Second: Kravetz

Bohrer reported that an eNewsletter will be distributed within the next day to alert users of Phase 2. The information will also be available on the Library's homepage.

**Consider Approval to Close Main Library Facility on August 4, 2020  
Election Day**

The Board discussed whether or not to close the Main Library for the primary election. There was concern about capacity limits and social distancing because the Township clerk believes it may be record-breaking attendance for a primary.

**MOTION:**
